Dear YBhg. Datuk Seri,

I hope this message finds you in good health.

I am reaching out to inform you that BGA is planning an event titled **"Malaysia's Missing Piece in the Semiconductor Puzzle."** The goal of this event is to initiate high-level discussions among decision-makers about the challenges and opportunities for Malaysia's semiconductor industry to match those of developed nations.

Given the importance of this event, I would like to propose a collaboration between BGA and the Ministry of International Trade and Industry (MITI) for **MITI to host this event**. Moreover, I would also like to invite you to **participate as a panellist** alongside Datuk Ernie Bower, President and CEO of BGA, Rupert Hammond-Chambers, Senior Advisor of BGA Taiwan, and tentatively the President of Malaysia Semiconductor Industry Association, Dato' Seri Wong Siew Hai. The event is scheduled for **11 April 2023, from 8:45AM to 11AM**.

If you are interested in discussing this proposal further, please let me know. We are excited to collaborate with you on this event and look forward to your response.

Thank you for your time and consideration.

Regards,

An. Hrazali
