Re: Countervailing Duty Investigation of Ferrosilicon from Malaysia: Notification of Verification - Revised

Dear Mr. Faizal:

The U.S. Department of Commerce (Commerce) is issued the preliminary determination in the above-referenced investigation on September 3, 2024. In accordance with section 782(i) of the Tariff Act of 1930, as amended, Commerce is required to verify information that will be relied upon in this investigation. The Statement of Administrative Action that accompanied the Uruguay Round Agreements Act states that Commerce “will verify information in a foreign country only after notifying the foreign government concerned of the details of verification.” Accordingly, we hereby notify you of the details of verification.

The Government of Malaysia and the respondents, through their representatives, and Commerce have agreed on the following verification itinerary. Two officials from Commerce will participate in the following verifications:

Respondent	Location	Dates
OM Materials (Sarawak) Sdn. Bhd	Bintulu, Malaysia	October 21 – 23
Government of Malaysia	Kuala Lumpur, Malaysia	October 25
Government of Sarawak	Kuching, Malaysia	October 28
Pertama Ferroalloys Sdn. Bhd	Bintulu, Malaysia	October 29 – 31
