

MINISTRY OF INVESTMENT, TRADE AND INDUSTRY

Dear Tan Sri/Dato'/Sir/Madam,

Invitation to the Malaysia SDG Investor Map Advisory Panel Meeting

On behalf of the Ministry of Investment, Trade and Industry (MITI) and the United Nations Development Programme (UNDP), we present our compliments to you and your company/organisation.

As shared earlier, MITI has partnered with UNDP Malaysia to develop the Malaysian inaugural SDG Investor Map. The [SDG Investor Map](#) is an online market intelligence tool developed by UNDP to enable countries to attract domestic and foreign investment into Investment Opportunity Areas (IOAs), which have both commercial viability and strong development impact.

Thanks to your input provided through our first Malaysia SDG Investor Map Advisory Panel meeting, we are pleased to share that the Malaysia SDG Investor Map is on its way to being launched and shared with the public via our [Global SDG Investor Platform](#) as well as [MIDA's website](#).

Before its launch on 19 June, we would like to invite our panel once again to share the identified Investment Opportunity Areas (IOAs) and ask for your guidance and discuss the way forward.

The second meeting of the Panel will be held on **9th June 2023, 3:00 pm – 4:30 pm** at **Bunga Raya Meeting Room, Level 31, MITI Tower, Kuala Lumpur**. The Agenda is as follows:

1. Presentation of Identified Investment Opportunity Areas (IOAs)
2. Launch of the Malaysia SDG Investor Map and the Way Forward

Attached herewith are the meeting agenda and the list of IOAs, for your reference. The summary of IOAs will be circulated prior to the meeting. It would be much appreciated if you confirm your attendance by **1 June 2023** by replying to norafizahm@miti.gov.my or shamini@miti.gov.my. If you need any further information, please contact Ms. Heesu Jeon (email: heesu.jeon@undp.org).

We look forward to your presence and input via the Advisory Panel.

Yours sincerely,

Datuk Bahria Mohd Tamil

Deputy Secretary General (Investment)
Ministry of Investment, Trade and Industry
